Small Attendance Fails To Dampen Protestant School Expansion Plan

Concert Tonight

The students of Leo Nickerson School will present a concert at Sir George Simpson Junior High assembly area tonight at 7:30 p.m.

The variety of spring songs arranged for the program will involve practically every student at Leo Nickerson, and the concert is under the direction of Rita Egan, Wanda Prather, Jean Colberg, Kay Iske and Laurie Saunders of the school staff. There is no admission charge and the public is invited to attend.

Only half-a-dozen interested electors attended St. Albert's 14th annual meeting of the Protestant Separate School Board last Wednesday in Sir George Simpson School. The entire board was in attendance along with about 20 members of the teaching staff.

Mr. J. J. Bakker was elected chairman of the meeting and Mrs. J. Hill recording secretary.

In his annual report, PSS District No. 6 Chairman, J. A. Wiltshire unveiled details of a new high school, presently under construction,

which will accommodate a total of 650 students. The new high school will carry the name of the former Paul Kane School and the latter will become a junior high school renamed Lorne Akins, after a famous resident who passed away earlier this year and who has left his mark in many sectors of our community. Mr. Wiltshire revealed the new Paul Kane High will be completed at a cost of \$1,481,378.05. "This new school," said Mr. Wiltshire, "will increase our educational facilities to six schools, thus easing classroom pressures we have been feeling for quite some time."

BOARD WILL LEASE MISSION PARK

Another step toward accommodating more pupils will result in the leasing of Mission Park School which will serve as an annex to Simpson School in 1972-73 school year. Mission Park, once under lease, will accommodate elementary pupils from Downtown, Mission Park and Lacombe Park areas. "This building will probably be used until a new school is constructed on the Lacombe Park site," he said. In view of future demands for more classrooms, two

69ers Camping Club welcomes all campers

The Camping Club will hold their next meeting April 9th in the St. Albert Library meeting room at 7:30 and the meeting is open to all people of the town and district interested in any form of outdoor camping. It will be the last indoor meeting of the 69ers and plans for summer outings will be discussed and arranged, followed by a showing of informative films on camping. The May meeting will take the form of a potluck supper outdoors.

Officers of the club are Herb Brige, president, Harold Kay, secretary, Wilf Langen, treasurer and Del Brige and Phyllis Jensen on the recreation committee. More information may be had by telephoning 599-8290.

At the dance put on by the St. Albert 69ers on March 11 at the Rosslyn Community Hall, the winners of the door prizes were: George Teichroeb, Edmonton, a relish dish

Committee ready for LAB Hearing

Mr. Barry Breadner, president, reported Tuesday that a 20 page submission has been prepared by the St. Albert Community Planning Committee for the Local Authorities Board hearing on Thursday morning in St. Albert. The meeting begins at 9:30 at the St. Albert Community Hall.

The hearing is on an application by the Town for annexation of approximately 500 acres on the northwest owned by BACM.

The planning committee's submission will be presented by Mr. Breadner and Mr. Dick Plain, and Mr. Breadner stated he feels confident they have a good submission in defence of the committee's position.

In an earlier submission to the LAB on January 19, the committee requested the board to defer a decision on the annexation. (Text was published January 26 issue) The board then requested the Town for a statement of council's views on the committee's submission, text of which was carried in the Gazette, February 16th.

Mrs. John Semballuk demonstrates egg writing to the students of Mr. Nick Chodan's Grade 6 class at Sir George Simpson School on Monday. The actual design is written on the egg with a stylus in the ancient Ukrainian art, which produces amazingly intricate and beautiful Easter eggs. "Pysanky" in foreground were made by Mrs. Semballuk. (See background story in this issue).

St. Albert Kinsmen host zone meeting

St. Albert Kinsmen played host on Saturday to the Zone 2 spring convention, when some 88 Kinsmen from the nine clubs involved met at the Community Hall. Special guests were Bill Watson, Kinsmen National president and Art Jones, past National president. Visiting delegates came from Kinsmen Clubs in Fort MacMurray, Alhambra, Barhead, Westlock, Fort Saskatchewan, Sherwood Park, Edmonton and Fort Edmonton.

Chairman Bob Myrthue was in charge of the program which included a six-part workshop on the theme "Back to the grass roots" which led to a summary and debate on the topic. The debate was judged by Bill Watson and Art Jones, and the group defending point one was named winner. They defended the position that "To promote and direct fellowship among men of good character within Canada," is the major aim of Kinsmen.

After Mr. Watson's 1:30 address to the delegates, the zone business was attended to and a speaking contest followed by three delegates. Jim Paul of Fort MacMurray spoke on "What Kin means to me," Ken Sorenson of Fort Edmonton club, spoke on the beginnings of Kin and how it has spread out, and John Grave chose the topic retention of expansion of Kin. Ken Sorenson was declared winner by judges Watson and Jones.

The Zone meeting followed the Friday evening Anniversary Party of the Fort

Continued on page 2.

Three small whitetail deer were photographed Tuesday evening in the area south of St. Joseph's Seminary on the east side of the highway. Don Hayden, president of the St. Albert Fish and Game Association commented that deer do inhabit areas close to St. Albert, but mostly go unobserved. "They are quite nocturnal and justifiably wary of people," he said. Don is aware of deer wintering in the area across from Jasper Auto Parts, frequently observing their tracks in this location. A woman who spotted them last evening was kind enough to stop at a service station and telephone the Gazette photographer.

Figure skaters of the St. Albert Club who passed their "Gold" Alberta Recreation Skating Association tests are Kathryn Husband, left; Beth Heuremann, Edith Hunt, Avril Bradley, Janet Kay, Jacqueline Sabourin and Linda Matar.

new school sites have been purchased, one in Lacombe Park and the other in West Grandin where it is anticipated that a new school will be required when total enrolments owing to increasing construction exceeds available classroom space in the district.

In the realm of business and finance, Mr. Wiltshire told the annual meeting that the board of trustees is encountering great difficulties in retaining the educational millrate at its present level while trying to recover previous deficits and maintain educational services at an acceptable level.

MET WITH MINISTER

"Inflation in all sectors of the economy, as well as various financial constraints are making it exceedingly difficult for the board to achieve these desirable objectives," said Mr. Wiltshire. He revealed that the board of trustees met with Hon. L. Hyndman, minister of education and made three recommendations which deal in detail with the following major points of contention: (a) Student transportation; (b) School Building Construction Costs and (c) Non-Resident Tuition Fees.

Mr. Wiltshire said the minister, "gave the board a sympathetic hearing but as yet no tangible assistance has been provided in solving these problems."

SUPERINTENDENT REPORTS

Mr. E. S. Gish, PSS Superintendent, in his annual report explained that the major curricular objective and responsibility of the school board is to provide for all pupils in the district as rich and comprehensive an education as is possible, within the limitations of revenues. "In attempting to accomplish this large task," he said, "the board has to set priorities as a guide to planning and budgeting."

The following are the priorities which were set out within the prescribed guidelines: (a) Basic Educational Needs; (b) Vocational Programs Outside the District; (c) Educational Enrichment Programs.

In addition to the above priority areas, the board has given serious consideration to conducting a dis-

trict survey of education which would gather and analyze the opinions of parents, students and other groups within the Town of St. Albert. Such a survey would help determine the community's idea of the educational services presently available, the effectiveness of these services, the community's opinion on what the priorities should be and the extent and kind of community involvement in education that would be feasible.

Mr. Gish told the annual meeting that the information obtained in such a survey would provide background for future decisions.

FINANCIAL REPORT

Secretary - Treasurer G. Hargreaves covered the pertinent sections of the financial statement, thus giving his listeners a concise picture of the Separate School Board's fiscal administration.

Starting on the income side of the report, Mr. Hargreaves revealed that \$1,720,801 was received from the School Foundation Program Fund. Through the School Grants Act, \$24,898.50 was received. By way of reimbursement of contributions to the Canada Pension Plan on behalf of teachers, \$12,508.10 was received making the total amount received through the provincial government at \$1,758,207.60. Added to that total by way of supplementary requisition, the sum of \$248,833 plus \$37,937.92 through other sources of revenue brought the grand revenue total to \$2,044,978.52.

Then Mr. Hargreaves turned the page to the "expenditure" side and revealed the following figures: administration \$87,779.00, cost of instruction \$1,447,873.24, cost of maintaining and operating was \$186,864.23, debt service payments and bank interest costs amounted to \$324,291.61, purchase of capital item costs \$15,490.92, transportation costs \$20,827.50 plus a small miscellaneous expenditure of \$20 brought the total expenses to \$2,062,746.50.

Mr. Hargreaves concluded his report by reviewing the 1971 operating deficit of \$17,767.98 when added to the previous accumulated deficit of \$88,922.36 brings the present accumulated deficit to \$106,690.34.

Community League has fine year

Two vacancies on the Board of Directors of the St. Albert Community League were filled at the annual meeting of the league on March 20. Stella Sommers of R. R. #1 St. Albert and Anna Lemieux were the new officers, filling vacancies left through the resignations of Marcel de Champlain, and four years in office.

The well-attended meeting heard reports from the President Henry Terrault and Secretary-Treasurer Lucille de Champlain.

The president's report of activities showed that the

Hall was used almost to capacity day and evening during 1971. In addition to regular bookings of the Senior Citizens, St. Albert Air Cadets, a dancing school, Sunday school and the Fish and Game Association, plus the leagues Wednesday night bingos, a great many functions involve most organizations in the town over the course of a year for banquets, meetings and dances, and weddings are also catered.

The financial position was shown to be sound, and reflected the good year enjoyed by the league.

Evening service will be held on Good Friday

A service of worship and meditation to focus upon the crucifixion of Jesus Christ will be held on Good Friday evening March 31 at Braeside Presbyterian Church beginning at 7 o'clock. Joining as guests of the Presbyterian congregation will be the minister, The Rev. J. C. Barford and congregation of St. Matthew's Anglican Church.

Special solo music for the service will be sung by Mrs. Jim Dobbie and Mrs. John Derjok. The Proclamation of the service will be in the form of a short audio visual interpretation of the crucifixion scene from the musical rock-opera, "Jesus Christ Superstar." This will portray the agony, pain and rejection of Christ upon the Cross and its relationship to the suffering and death experienced by people today.

A cordial invitation is extended to all to attend this

given by the St. Albert 69'ers Willy Wahl, St. Albert, a tote bag donated by the St. Albert Sportsman. A draw on a camping lantern, given by the St. Albert 69'ers was won by Chris Abernathy, Edmonton. The spot dance was won by Neil and Helen Smith, Edmonton, a bar set for Neil and a date and calendar book for Helen.

A very enjoyable evening was had by all attending, dancing to the music of the Golden Allos and a lovely cold plate lunch was served.

There are plans for another dance in the fall, so campers should keep this in mind.

Kinsmen

Edmonton Club, held at St. Basil's Hall, with Kinsmen founder Hal Rogers and Mr. Watson as special guests. Three St. Albert Kinsmen couples attended this event.

Rodeo chairman, Ken Polton is presently getting the wheels in motion for Kinsmen Rodeo 111 on June 16, 17 and 18 this summer.

Figure skaters do well in tests

Alberta Recreation Skating Association tests were given skaters of the St. Albert Figure Skating Club Tuesday afternoon in the arena. (These are the tests formerly classified under Alberta Figure Skating Association tests).

The following candidates were successful in the Gold, Silver, Bronze and Preliminary examinations held this season:

GOLD: Avril Bradley, Kathryn Husband, Linda Mear, Edith Hunt, Jacqueline Sabourin, Janet Kay and Beth Heurmann.

SILVER: Beth Heurmann, Bob Pavlich, Imelia Parth, Kim Bittman, Janice McNeill, Annette Koedon, Catherine Dupont, Diane Bertram,

Leslie Laschak, Belinda Moore, Jacqueline Sabourin, Valerie Thomas, Janet Kay, Edith Hunt and Leslie Shelemey.

BRONZE: Leslie Young, Jo-Anne Drysdale, Penny Nelson, Susan Dent, Francis Dupont, Lynn Bossman, Karen Bergman, Patricia Husband, Carol Kramps, Rena Tale and Catherine McLaughlin.

PRELIMINARY: Peggy Wylie, Leah Moore, Debbie Beilstein and Carole-Anne Hutton.

The St. Albert Club are currently running tests in Canadian Figure Skating Association and results will be published on completion.

A timely cartoon, drawn by The Gazette artist Denis Limoges which appeared in our issue of March 15 was published for the express purpose of warning youngsters to "Beware of Old Man River." Above can be

seen at least one St. Albert youth who failed to take the warning. He was seen dropping from the bridge onto the ice below where he said he was "retrieving

coins that had been dropped on the ice." This seemingly harmless little 'dare game' could be fatal though judging the size of the crowd of waters, it is entertaining.

AROUND TOWN

The Share-Lent March to Villeneuve and back will begin Friday following the Good Friday services at the Roman Catholic church at 3 p.m. St. Albert Movers are sponsoring the March and the proceeds will go to Peruvian Missions. For marching forms and further information call Sharon Williams at 599-8198.

St. Albert Breakfast Lions taking part in the annual Lions Bonspiel in Edmonton Sunday are Adam Hapman, Fred Teterenko, John Kaminski, Bob O'Donnell, Firmin Iseke, Harry Hutchings, Vince Ratchinsky and Bill Diepenbroek, anchor man.

The boys and girls of St. Albert Air Cadet Squadron and their acting officer Gordon Martin also visited the Legislature during the last week. They attended Thursday evening their regular meeting night for about two hours. About 52 cadets took part.

Superintendent Maloney reviews "A Good Year"

In his report at the Roman Catholic School annual meeting Tuesday evening, Superintendent of Schools, V. J. Maloney termed the past school year as being "a good one."

"The many curriculum changes have placed a heavy burden on the staff," said Mr. Maloney, "but these have been accepted with enthusiasm." He went on to point out in his report that with the growth of St. Albert and district, the school has shown great strides in facility expansion and increase in personnel. "The district has a staff of 89 teachers and a student population of 1840," he announced.

"One of the most significant achievements in 1971 was in religious education," said Mr. Maloney. He explained that the board hired a religion co-ordinator who is presently working on curriculum development at the high school level. New experimental courses are being offered in grades 9, 10, 11 and 12 with the grades

11 and 12 courses accredited for the first time. "Parents of grade 9 and 12 students have been invited to become more involved with the religious program through attendance at class sessions," he said.

Regarding the Grade 12 January departmental examinations Mr. Maloney was exceptionally proud to report that out of a total of 166 papers written, 16 passed with an 'A'; 76 with a 'B'; 60 with a 'C'; 12 with a 'D' and only two were rated 'F'.

In the area of additions to the curriculum, Mr. Maloney mentioned physical education 30 and music 10. "And creating a junior high centre," said Mr. Maloney, "has, in the opinion of the entire staff and many parents, proved to be a very wise decision."

Coming under the heading of "textbook rentals" the superintendent of schools revealed that at present a deficit of over \$19,000 is showing in this account. He

explained that it was now evident that recent curriculum changes are leading to the purchase of a variety of texts and resource materials rather than the same text for every child. It is therefore essential that some form of textbook rental scheme be maintained, since it would be very expensive for each pupil to purchase the range of materials required.

Mr. Maloney proceeded to explain the breakdown of the textbook rental program scale of fees: \$1.50 at the elementary level; \$2 for junior highs and \$3 for seniors. The superintendent said that the fees helped to enrich the various programs by making it possible to obtain additional workbooks as well as

provided funds for field trips, swimming and skating classes as well as visits to the planetarium, public libraries, museums, com-

mmercial firms and environmental studies.

"This report makes no attempt to examine in detail the total operation of the

district," said Mr. Maloney, "however it endeavors to give some insight into the programs offered in each school."

Small Attendance Hastens A Quick Adjournment

The ratepayer's annual meeting of St. Albert School District No. 3 was held last night (Tuesday March 28) as scheduled. The setting was the Father Jan School and the attendance was made up of eight ratepayers, 11 members of the staff and three news reporters.

Mr. Ray Binette was appointed chairman and Mr. Chris McDonnell, was named recording secretary.

The two reports prepared by Mr. David Fraser, chairman of the board and Mr. V. J. Maloney, superintendent of schools were not read as anticipated. Mr. Fraser and Mr. Maloney both offered to read their reports but failed to receive encouragement from the sparse gathering, therefore each had their well-prepared talks approved as circulated.

In view of this newspaper, both reports deserved wider circulation than they received, therefore we are reporting, in the first person, highlights from both texts.

Readers will find, at the conclusion of Mr. Maloney's summary of school activities, plans and accomplishments the secretary-treasurer's financial report,

RC School Bd. aims for Hold-the-line Budget

RC School District Chairman David Fraser last Thursday evening called upon his board of trustees to discuss his report before presentation at the annual meeting scheduled for Tuesday, March 28.

Mr. Fraser explained the board's financial situation in relation to this year's budget requirements and the mill rate. He pointed out that a hold-the-line budget was necessary in order to keep the mill rate the same as last year while maintaining present desirable educational standards.

It was the general consensus of the board that last year's mill rate of 19.23 will be recommended subject to ministerial approval.

With that question temporarily out of the way, the

board proceeded to deal with other topics on the agenda.

The approval and method of payment for the service costs for the Brasserie School site, being the sum of \$1,428, was discussed. Trustee Don LaBelle moved that the sum be paid through a short-term bank loan to be negotiated subject to ministerial approval.

The Board of Trustees heard a report from Mr. R. Chaput, institutional materials co-ordinator, dealing with a list of capital building expenditures in the Albert Lacombe School. The long list of priorities included staff room furniture, maps and map stands, video screens, gym equipment, film strip previewers, filing cabinets and so on.

In view of budget priorities, the board agreed to table the Albert Lacombe School expenditures until a future meeting when a firm school requisition figure has been approved. Another expenditure which will be dealt with at the same time is the sum of \$75 for improvements of the quadrangle of the Old Albert Lacombe school.

A letter of thanks was circulated from the high school girls' basketball team. The board had previously approved the cost of \$477.60 being the sum paid toward the expenses to send the girls' team to Calgary March 10.

"OUR REPUTATION IS YOUR SAFEGUARD"

RC School Chairman Reveals Budget Dilemma

*After extending thanks to retired trustees Dr. Walter Mirlin and Jack Flaherty, board chairman David Fraser presented the report from the trustees.

He reminded the electors that during the past several years, the board had adopted a deficit financing policy. He said it was the only way the board could offer an adequate educational program while the total school population showed a decrease. "Our plan was to recoup our losses during the seventies," said Mr. Fraser.

The details with respect to revenue and expenditures for 1971 may be found in the financial statement. The statement, however, shows that the board realized a surplus of \$3,731.40. This enviable financial situation has been made precarious, explained Mr. Fraser because of the former Alberta Government's imposed legislation in 1970 which requires school boards to reduce supplementary regulations over the 1970-1972 period.

Continuing from his report, Mr. Fraser pointed out that the main source of revenue is the Foundation Program Fund and the government has limited increases to six per cent per year during the 1970-72 period. "It is obvious," he said, "that the dollar increase in revenue is insufficient to meet normal cost increases."

% GUIDELINE MAKES BOARD'S TASK DIFFICULT

The six per cent guideline for school boards has resulted in staff cuts, higher classroom enrolments, less busing and a reduction in programs in some districts. "The rapid growth in St. Albert has saved us from these cut-backs," said Mr. Fraser, "however 1972 is going to be a very difficult year in spite of our relatively sound financial position," he said.

He went on to say, "anyone can see by examining the area of emphasis in the latest provincial budget that education has slumped considerably on the government's list of priorities. The government set this arbitrary guideline on educational grants while salaries, cost of school sites, supplies, construction repairs etc. continue to rise at a rate higher than six per cent."

"This regulation," he said, "would not be so difficult to live with if the data on which the grants are based was factual." He continued to explain that the average teacher salary used in the Foundation Program formula is too low to meet the cost of salaries in a district where teachers have higher than average qualifications and several years' experience. "St. Albert is in this category," he declared. Reading from a prepared text Chairman Fraser continued to explain:

"The restriction on supp-

lementary regulation is the straw that breaks the camel's back. Your board could manage if in fact we could levy the same mill rate in 1972 as we received in 1971. Boards are required not only to hold the line but in some cases must in fact drop the mill rate. Trustees would have no quarrel with a hold the line policy, if all levels of government were required to do the same.

"Education was a top priority in the sixties and many challenges were met by educators, trustees and governments. A great deal of money was required to meet the needs of individual students and increase the professional training of teachers so they could cope with the variety of new techniques and courses required in this space age in which we live. Changes have occurred and few will say all of them have been good. However many have lasting and positive qualities. The drop out rate has become

very low with little if any sacrifice in quality of education.

"The freeze on the supplementary mill rate does not allow a school board to gain revenue from increasing assessment. Your board does NOT wish to raise taxes in 1972 but wishes to maintain the same rate as levied in 1971 (19.23 mills).

PLEBISCITE POSSIBLE

A regulation passed by the former Government of Alberta may cause the board to levy a lower rate in 1972. This matter is presently under review by the minister of education. The board could be forced to consider a plebiscite if the new government disapproves of our recommendation. The board has reduced the mill rate 3.37 mills since 1969 and believes that a further reduction in 1972 will reduce services or place us in another period of deficit financing.

Toronto-Dominion Bank opens here Tuesday

Mr. Charles Van Elslande has been appointed manager of the St. Albert branch of the Toronto-Dominion Bank, opening in Grandin Shoppers Park Mall next Tuesday. He returns to managerial work following the past five years on the inspection staff out of Edmonton main office.

Prior to that, Mr. Van Elslande managed a number of branches in northern Alberta. He has 25 years experience with the bank, joining the branch in Meyronne, Saskatchewan in December of 1966.

To begin with the branch will have a staff of three under the manager: Dan Wiggins, administration officer, transferring from Red Deer, Mrs. Beverly Appel of St. Albert and Miss Judy Thompson, transferring from the Barrhead branch.

Mr. Van Elslande is married and he and his wife Judy, have one son Gilles, and two daughters, Jeanne

and Susan. He is on the board of directors of the Merchants' Association of Grandin Shoppers Park Mall, and a member of the Montgomery Branch of the Royal Canadian Legion. For recreation he enjoys curling and golf, being a "duffer" at the latter, by his own description. He is also bilingual.

"I am enthused about the premises, which are well designed, spacious and nicely appointed," said Mr. Van Elslande. There is provision for six teller's wickets and ample office space for expected growth, and I am confident about the future of the branch in St. Albert, which will be serving a growing market in the town and surrounding district.

The branch will provide a complete line of banking services, including mortgage loans for residential development, and ChargeX.

"There are other alternatives such as cut staff, charge parents the actual cost of text books and a bus fare for transportation, rent for use of school buildings after hours to mention but a few. None of these however are desirable and the board hopes that better solutions can be found.

"The board is examining its 1972 budget with a fine tooth comb and once realistic estimates of revenue and expenditures are known the course of action will be made public. We have made Mr. Hyndman, minister of education aware of our possible difficulty in 1972 and an official consultation will be arranged when budget study is completed. If a plebiscite is to be held it must be

prior to May 15, 1972, so the board has some serious decisions to make in the next month and a half.

FINANCIAL REPORT

Secretary-Treasurer Chris McDonnell read to the electors the 1971 financial statement.

Mr. McDonnell explained that the school district's budget estimates for the 1971 fiscal year amounted to \$1,521,900. This amount made provisions to cover previous years' deficits of \$28,076. With a total operating budget of \$1,495,853.00 the board managed to economize throughout the year and recover an additional \$31,184, to thus end the fiscal year with a surplus.

NHL Oldtimers sneak win over local All Stars

In what was probably the most enjoyable hockey game of the year in St. Albert, more than 500 fans saw the NHL Oldtimers score a close 8-6 win over the St. Albert All Stars.

Referees Gary Rix and Don Fender had an easy time and called only three minor infractions as the teams stuck to hockey and played the game as it should be.

St. Albert Comets leading scorer Jim Read gave the All Stars a 1-0 lead at 11:06 of the opening period with Jamie Burton (Kinsmen) assisting. At 12:10 Craig Neeser (SportsShop Barons) tipped in a pass from Doug Ferguson (Barons) and Jake Joly (Esso) to give the All Stars a 2-0 lead. Fifteen seconds later they went ahead 3-0 when Denis Limoges (Gulf) scored.

JIM READ

play. Bob Conrad started things off at 9:16 and in the space of four minutes, Remi Brisson, Bob Solinger and

when he rushed the length of the ice to score an unassisted goal.

Gord Buttrely scored his second goal of the game at 18:50 to put the game out of reach for the Oldtimers. Although many of the Old-

timers were well over 40 years of age, they showed that their excellent puck control compensates for the speed they lost years ago. While they were shorthanded they kept the puck for most of the two minutes and didn't allow a shot on goal.

This was the second year the game has been played and Arena Manager Don Sinclair plans to make it an annual affair.

Three NHL autographed hockey sticks, courtesy of the St. Albert SportsShop were won by Mr. Fee, Tim Penner and Martin O'Kelly.

ed on a goal-mouth scramble with Bob Seguin (Gulf) and Terry Moore (Kinsmen) picking up assists.

After the third goal Oldtimer coach Ken McAuley (New York Rangers) had a little chat with his boys and it certainly produced results. Within the span of the next three minutes the game was all tied up.

Ex-Edmonton Flyer and American Hockey League star, Roger DeJordy scored twice within 30 seconds and Gord Buttrely (Chicago Black Hawks) tied the score 3-3. The Oldtimers appeared to be able to score at will but All Star goalie Mike Carrier (Comets) made some good saves and kept the Oldtimers off the scoreboard for the remainder of the period.

Shortly after the second period started, Jim Read scored his second goal of the game with assists going to Ev Tremper (Kinsmen) and Craig Neeser.

The Oldtimers then went to work and scored four straight goals to take a 7-4 lead after two periods of

Comets even series by defeating Leduc

St. Albert Comets led by Al Laplante's three goals upset the favored Leduc Oilers 6-4 Monday night in St. Albert. The win allowed the Comets to even the best of three series at one game each.

Oilers took a 1-0 lead at 7:10 of the first period when Doug Murray beat Comet goalie Mike Carrier from close in. Laplante scored 15 seconds later with Jim Read and Brian

Stevens assisting, to tie the game 1-1. Laplante scored his second at the 4:00 minute mark of the second from Joe Cassidy for a 2-1 lead. Comets went ahead 3-1 at 4:43 when Brian Stevens converted a pass from Cassidy and Rick Pugliese.

Leduc got back in the game when Len Zalapski scored. Comets regained their two goal lead on Jim Read's goal with Laplante

assisting. Just before the second period ended Ron Reinhart scored for Leduc to reduce Comets lead to 4-3.

In the third period Comets outscored Leduc 2-1 on goals by Terry Dube and Laplante. Stevens helped out on Dube's goal while Read set up Laplante's marker.

Comets take 12 of 20 penalties including misconducts to Fred Hesse and John Arnot.

The "Hawks" newest team in Mite B, who were winners in the Minor Hockey Week tournament have finished the league season in second place, with 13 wins, 5 losses and 2 ties. Photographed after their final game Saturday are: front row, left to right: Walker Lloyd, Wade Katmarzyk, Jamie Werbiok, Paul Hoffart, Roy Kampen, Robert Bergvin, Ross McCrae. Second row: Joey McManara, Kurt Bokenfohr, Gary Cairns, David Muskens, Cameron Swist, Wade Wakefield, Barry Cardinal, Todd Nichol. Missing Dean Murray. Back Row: Mel Wakefield and Lawrence Wakefield, coaches.

Badminton club plans tourney

Norm Carruthers and Fraser Fairweather won the 'C' Mens Doubles event at the Kingsway badminton tournament held recently at Griesbach. Several other St. Albert players reached the semi-finals and finals.

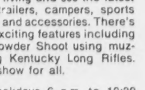

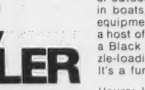

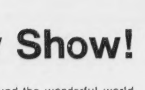

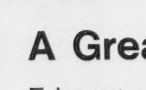

The two high scorers in the St. Albert club March

Novelty Doubles tournament were Hilda Stiff and Frank Carnahan.

The club's own final tournament will be held shortly after the Easter holidays, and members are urged to line up their partners soon, as entries must be in by April 10th. For the first

time there will be two separate events for 'B' and 'C' sections, due to the fact that the club has now more players in 'B'.

Sturgeon Valley League

The developments of Sky Glen, North Point, Sturgeon Crest, Sturgeon Heights and Viscount Estates have formed the new Community League of Sturgeon Valley and have made application under the Societies Act to become an entity.

This group held its inaugural meeting at the home of Andy Olson on March 20, 1972 and elected an executive to make the necessary arrangements to meet the requirements of the Societies Act. The meeting selected a 2.23 acre site

in Viscount Estates as the area to be developed first. Facilities for this site are to include a baseball diamond and skating rink as well as dressing rooms. The group hopes to make an early start on the ball diamond.

Persons interested in assisting in the planning or development of these facilities please contact Mr. Zan Zabalski - 799-5090.

The Ways and Means committee is at present planning an April dance to raise funds for the new league.

Teachers take playoff opener

St. Albert Esso (Teachers), first place finishers in the St. Albert Men's Commercial League, defeated third place National Life Bruins 10-3 Monday, to take a one game lead in the total goal, A series.

Premier Esso is the other club involved in A series while Kinsmen Warriors, Grandin Golf and River

Sage are in B series. The two winners will play a best of three for the Edmonton Valve and Pitting trophy.

The teachers were led by Joe Laplante with four goals while Father John Jolly had a hat trick. Len Senow with two and Ross Johnston added the other. National received two goals each from Vic Kalkbrenner and Stewart Rait-

mes while Don Berg added the single.

Tonight's action gets underway at 8 p.m. with Kinsmen Warriors taking on Grandin Golf. Tomorrow night has Premier Esso against National Life.

Final league standings and top 10 scorers are listed below:

Al Beauchamp (Premier Esso) faces-off against Kinsmen's Larry Mitchell, as goalie George Cowart awaits the action to start in Premier's 8-3 upset over the Kinsmen Warriors.

Lady golfers plan April meeting

The organization meeting of the Sturgeon Valley Ladies Golf Club will be held April 18th at Moisson House, Edmonton, beginning at 8 p.m. Plans for the coming season will be discussed, and this meeting offers a good opportunity for new golfers to come out and meet last year's enthusiasts. Lady golfers, or would-be golfers, do not have to be members of the Sturgeon Valley Ladies Country Club to attend this meeting. They are cordially invited to come and bring their friends. Lunch will be served. Further enquiries may be directed to Edna Henderson at 599-4111.

ST. ALBERT RECREATION

It's spring-cleaning time and our schools are no exception. During the Easter holidays schools are cleaned and it may cause the floors at the gyms are given a thorough going-over. Practically all activities held in the schools are cancelled during the holidays to allow the very able hand of caretakers to get on with the job.

CAMPING
The St. Albert 60+ers Family Camping Club will hold their next meeting in the Town Library meeting room on Sunday, April 5 at 7:30 p.m.

This club was formed in 1965 with the purpose of promoting better camping and to allow the members to exchange information on camping facilities available and perhaps better camping methods.

Anyone interested in camping, whether it be in tents, trailers, campers or whatever, is invited to the meeting on April 5. For further information, phone Harold Kay at 599-7486.

SOFTBALL
The second and last registration day for the baseball program sponsored by the St. Albert Lions Club and the Knights of Columbus, will be Saturday, April 1 from 1-3 p.m. in St. George Simpson School. Registration forms are available at most schools or can be picked up at the time of registration.

Registrations will be taken for girls' softball (8-16 years) at St. George Simpson School on Saturday, April 1 from 10 a.m. - 12 noon. Forms have been distributed through the schools and will be also available at the time of registration.

SQUARE DANCING
The St. Albert Saints and Sinners will hold their next dance in St. Alexander MacKenzie School on Saturday, April 1. There will be round dancing from 8-8:30 p.m., followed by square dancing.

LONDON SOCIETY
An advertisement appears elsewhere in this issue announcing the London Society's dance to be held in the Club Montclair on Saturday, April 1st.

The Society has been very generous in their support of the activities sponsored by

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 129 of the Planning Act 1970 R.S.A., as amended, to consider development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to present Lots A and B, Block 4, Plan 4706 R.S. (see map) Lacombe Park to that proposed (see map).

existing zoning

The proposed By-law 411/77 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 27th day of April, 1977 at 6:00 p.m.

Written objections to the proposed By-law will be received by the Secretary-Treasurer at the office until 4:30 p.m. on the 27th day of April, 1977. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations.

Villeneuve 4H speakoffs

By Julie Leeburg

On Wednesday, March 15, the Villeneuve 4H Sewing Club held their public speaking finals in the Villeneuve Hall.

In the senior division winners were Colleen Sheehan with "Forgive and Forget," and second - June Borie, "We'll do it."

Winners in the junior category were Kim Klatt, "Green Thumb Horticulturists" and second Michelle Gagnier with "What is a Father."

The seniors speak on April 10 at Gibbons, the Juniors on April 14 at Riviere Qui Barre.

Congratulations especially to the first-year members who did a tremendous job on the prepared and impromptu tests.

Thanks to our judges Mrs.

McKinstry, Mrs. Onken and Mr. Al Laplante, our time-keeper Debbie Kremer and the mothers who served lunch afterwards.

AROUND STURGEON

A Limousin - Shorthorn cross steer has captured the Grand Champion Market Animal award at the Canadian Western Stock Show and Sale.

Exhibited by an Onway man, Lynn Armistead, the Champion became the first winner of the Lawrence Rye Challenge Trophy and the \$250 cash prize that goes with it.

Basketball coach: "You're out of condition, Buck. What have you been doing? Studying?"

Wally Klatt speaks at Green Willow

District Agriculturist, Wally Klatt spoke to meeting called to discuss the treating of seed grain and other topics related to the work of the DA.

Concern was expressed that too much bird life was lost using the present method of seed grain treatment. The meeting was held at the home of Roy Schmermund in the Green Willow

district.

A good turnout of neighbors were present - Glenn Berry, Allan McDonnell and Dennis Wietzel joined Carl and Henry Bergtreiser, Gordon Schmermund, Rudy and Harold Christen, Lloyd Bergtreiser and Marcel Kerckhof in an interesting and informative evening filled with tempting lunch and friendly visiting.

Arts, Crafts Guild offers varied six-week courses

Classes in knit-n-stretch sewing, ceramics and children's model aircraft and kite making will be offered in a spring session sponsored by St. Albert Arts and Crafts Guild in co-operation with the town recreation department.

The knit-n-stretch sewing class, taught by Mrs. Dorothy Worthington, will begin Tuesday, April 18th from 8 to 10 p.m. at the Arts Centre. Classes will be held for five consecutive Tuesdays and the registration fee is \$10 with a Guild membership or \$11 if you do not already hold an associate membership.

The following classes will run for six weeks beginning the week of April 17th:

*Adult ceramics at the Arts Centre Tuesdays from 7 to 10 p.m. Registration fee is \$15. Instructor is Mrs. Nell Sadee. Classes begin April 18.

*Children's ceramics, ages 6 to 8 years, at the Arts Centre, Wednesdays from 4 to 5:30 p.m. Registration fee is \$4. Instructor, Mrs. Elke Biedgett. Classes begin April 18.

*Children's ceramics, ages 9 to 12 years, at the Arts Centre, Thursdays from 4 to 5:30 p.m. Registration fee is \$4. Instructor, Mrs. Lois Folkins. Classes begin April 20.

*Teen ceramics will be held Wednesdays from 7 to 9 p.m. at the Arts Centre. Registration fee is \$7. Instructor, Mr. Doug Folkins.

Local man moves from Aircraft to Realty

From designing aircraft in the north of England to selling real estate in Alberta, Canada, is a startling change in direction to take midway through your working life. For Don Bradley it proved a good move, and he is enjoying both his new career and his new surroundings. "In fact," said Don "neither myself, my wife Barbara or my son Martin, 14, has any desire to go back to the old country." Don is interested in golf, and was formerly a keen scouter, and is a member of the Canadian Aerospace & Space Institute. He is 40 years old.

The Bradleys' have made their home in St. Albert for a year and a half, and just recently purchased a new home in the Lacombe Park area.

Assistant chief designer with an aircraft industry in England, Don like many others found himself out of work when his firm faced extensive cutbacks following

Classes will begin April 19. *Children's model aircraft and kite building course will be held Saturdays from 1 to 3 p.m. at the Clubhouse. Instructor is Mr. Mike Kay and the registration fee is \$6. Classes begin April 22.

For those who have not taken previous classes with the Guild during the past year, a \$1 membership should be added to the registration fee.

While registration in each class is limited, the class will not be held if there is not sufficient interest. For additional information or to register, please call Mrs. Karen Grant, Guild co-ordinator, at 599-8524.

No meat steaks in 20 years

Within two decades - maybe much sooner - most of the steaks on your supermarket counter will likely be innocent of meat. So says Dr. John deMan, leading Canadian food scientist. DeMan, who has already produced steaks made from soybeans in his University of Guelph laboratories, says the beginning will be not unlike the butter vs. margarine situation right now: the real thing and analogs made from vegetable or other protein

the Rolls Royce collapse. It was then that he decided to come to Alberta and after looking over the job situation in areas related to his experience, he realized he would have to try something new.

Real estate had always interested him, and his new job is working out very well, and although he has since had offers in the engineering field he has turned them down. He is on the sales force of Britannia Realty Ltd., who opened an office on Centennial Mall under Manager Gerry Hancock, 18 months ago. The company has risen to number seven position in 126 companies operating in Edmonton, according to Mr. Hancock. They are the largest real estate firm in Calgary and part of a cross-country referral system on a guaranteed trade-in your home plan. Other Edmonton offices are at the Park Plaza and Bonnie Doon Shopping Centre.

There's a fledgling organization in our province called Alberta Outdoor Education Inter-Agency Liaison Committee. This is a new organization with a very long name and also with a wide and far-reaching purpose. (Officials promise to shorten the name soon as one has been minted).

AOELC started in January of this year when a large group of interested residents of Alberta gathered in response to an invitation issued by Garry Gibson presently attending the U of A on a PhD course with strong emphasis on outdoor education.

The invited delegates attending this conference came from every segment of Alberta Outdoor Life. There were professional foresters, agriculturists, ecologists, conservationists, guides, sportsmen and so on.

These people all had a common problem, namely, "how can we be heard when we want to bring forward a proposal before a provincial cabinet minister?" All agreed that something should be done in a myriad of sectors of this province's

will lie side by side on the counter and our choice will be determined by price. Initially, that is. A U.S. nutritionist H. Hearl, predicts that when world population reaches 6.5 billion, animals (a very uneconomical form of protein production) must go or half humanity will starve. And the UN Food and Drug Administration has forecast a population of 6.4 billion by 2000 AD - just 28 years away. There are 3.7 billion people on earth today.

DON BRADLEY

Outdoorsmen set meeting for mid-April

outdoors but the same question remained unanswered, "where do we go for help?"

The delegates decided to elect an executive of seven leaders with Garry Gibson acting as chairman. The other six members of the executive were chosen to represent a wide variety of Alberta's outdoor-oriented groups.

Now, the working executive has been busy since the January meeting, formulating

an agenda for a second meeting scheduled for April 15 in the Student's Union Building at the U of A. Among the many topics to be discussed will be the Blue Lake Outdoor Training Centre located about 25 miles north of Hinton. This facility is the only one in Alberta and according to Mr. Gibson, this centre should be used more extensively and similar facilities should be established at several points

throughout Alberta.

Mr. Gibson firmly believes that outdoor camp-training facilities like the one at Blue Lake could play a major role in training young men and women in outdoor life, forestry lore, survival, conservation and the such. "It could even become an integral part of rehabilitation programs involving youngsters with social problems," Mr. Gibson said.

Success Thru Service

No. 24 CENTENNIAL MALL BRANCH, EDMONTON.

The 31 young people confirmed on Sunday are seen in the sanctuary of St. Albert Evangelical Church. A large congregation was on hand for the service, which was handled by the young men and women following their confirmation.

Liberals name John Borger for Pembina

Liberal standard-bearer, John Borger was nominated to contest for the Pembina Constituency in the next federal election.

Mr. Borger, a 37 year old former Calgary Stampeder football player, won the nomination Saturday night at Sherwood Park over student Willard Bandola of Athabasca and lawyer John Murphy of Westlock.

Voting was conducted Wednesday in Athabasca, Friday at Westlock and Saturday at Sherwood Park before tabulation was carried out.

Mr. Borger expressed confidence that supporters of the other two candidates

would join him in a battle to win the seat that has been held for 14 years by the PCs.

Mr. Borger, who obtained his doctorate in biochemistry at the University of Alberta, has based his campaign on a promise of aggressive representation in Ottawa.

"And if I take the job, I'm to get a raise every year?"

"Yes," answered the boss to a shaggy-haired character in tennis sneakers, "provided, of course, your work is satisfactory."

"Alas! I thought there was a catch somewhere!"

School Dist. ATA Assembly may take No. 3 Wants Cable TV new direction on gross incompetence

Following a presentation to the Public School Board by Mr. R. A. Russell, on behalf of Sturgeon Valley-union for support in an application to the Canadian Radio/Television Committee for cable television service to the St. Albert area, the following motion was carried unanimously:

It was moved by Trustee LaBelle, "that we write CRTC stating that on the basis of the presentation given us, we go on record as being in favor of a cable television channel for the St. Albert area."

"A green belt less than 300 feet wide will produce the same effect on the atmosphere as a one mile increase in altitude."

Passage of bylaw amendments to be considered at the annual assembly of the ATA next week, would represent a significant new direction for the teacher's association. The amendments would establish procedures to rule on charges of gross incompetence, and implementation would require provincial government sanction through changes in The Teaching Profession Act.

The annual representative assembly of the 23,000 member Alberta Teachers' Association will consider 122 resolutions at April 3, 4 and 5 meetings in Chateau LaCombe in Edmonton.

Four hundred and sixty delegates from throughout Alberta will focus on crucial issues of the last year and planning for the future.

Emphasis will be placed on resolutions dealing with teaching conditions, curriculum, teacher education and certification, pensions and education finance.

A two-and-one-quarter million dollar budget for 1972 activities of the ATA will also be considered by the delegates.

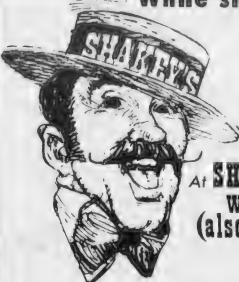

Man, full of excitement, phoning the fire department, "Fire! Fire!" "Where is it?"

"My house!" "I mean, where is the location of the fire?"

"My kitchen, for heaven's sake!" "Yes, but how can we get to your place?" "You've got a fire engine, haven't you?"

Melton Real Estate office in St. Albert played host last Wednesday to visiting executive members of their firm, and to representatives of other St. Albert realty businesses. Pictured are Stan Melton, president of Melton Real Estate Ltd., Garnet MacTaggart, Northwest branch manager, Pat Hanlon, St. Albert office manager, Dave Crawford, general manager of the firm, Gordon Grycan and Ian Nilson of the sales personnel.

Famed choir to concert in Edmonton on evening of Apr. 5

The Gateway Singers, a 75 voice youth choir from Grace Presbyterian Church in Calgary will perform in concert one night only in the Edmonton area, April 5 at First Presbyterian Church at 8:30 p.m. This is their last stop on a tour of Western Canada during Easter week which will include concerts in Regina, Winnipeg, Brandon and Saskatoon. The Gateway Singers were first organized five years ago and from a small beginning have grown in numbers, enthusiasm and expertise to become a choir of both Canadian and international acclaim. While the membership of the choir is predominantly Presbyterian, young people from several other Christian churches have be-

come involved. Public recognition has meant that they are invited to perform several times each month at church men's conferences, service club conventions, interfaith services as well as at regular worship services at Grace Church. In addition to television appearances they have recently presented a series of nine concerts at various Lodges for senior citizens in Calgary under the sponsorship of the provincial department of culture, youth and recreation, music division. Last spring they were awarded the Norman Kennedy Rose Bowl for the highest marks attained by any choir at the annual Calgary Music Festival in the Jubilee Auditorium.

The Gateway Singers have made three annual tours, the first two through the interior of British Columbia and the third through the State of Washington to the West Coast. At the end of their 1972 tour, they have been invited to sing at the opening service for the National Convention of the Royal College of Organists in Calgary.

The purpose of the choir is to share the love of singing with as many people as possible and in so doing to present God's Word through the medium of music. In this way a closer fellowship with people of several churches has developed. The expression of their faith in the living God through contemporary music also means that these young people play a vital role in the mission of the church.

Further information about tickets and transportation can be obtained by phoning the office of Braeside Presbyterian, 599-8568. The

top several applicants be interviewed by the full board.

Public School receiving job applications

School District #3 Superintendent V. J. Maloney reported that he had already received over 20 applications for the position of supervisor of business administration.

This newly-created position calls for a capable young man, with a good background in accounting and able to set up and operate a system of program budgeting. The incumbent will report directly to the superintendent.

The position has been advertised in the Western Catholic Reporter, The Edmonton Journal and Calgary Herald and the deadline for applications is March 31, 1972.

Mr. Maloney asked the board how these applications would be dealt with. After a considerable amount of discussion, it was unanimously agreed that a "weeding-out process" should be done by the superintendent and the

Prospects look good in St. Albert says manager of new realty firm

The St. Albert office of Melton Real Estate, which opened at 192 Sturgeon Road a month ago, became the company's ninth office in the area. It comes under the management of Mr. D. Garnet MacTaggart of Melton's northwest branch.

A staff of 12 qualified, trained salesmen serve the town and district on a 24 hour basis: The office is open from 8:30 a.m. until 9 p.m. weekdays, and till 5 p.m. Saturdays - after closing a telephone answering service takes over.

Situated just south of the Club Mocombo, Melton's

office has 450 square feet of space, divided between a front reception area and private office at rear. The location provides ample parking space.

"Prospects for the new office look very good," said Mr. MacTaggart. "Looking at the present growth and new business coming in, together with new development in the planning stages, I think growth will be unbelievable over the next 5-10 years."

Founder of Melton Real Estate company was Mr. L. T. Melton, who came to Edmonton in 1919. Four

years later he also established the Stanley Investment Co., and remained active until he sold in 1946, to his son, Mr. Stan Melton, president of the firm.

The company went public in 1968, and is listed on the Vancouver stock exchange. A year ago they acquired A. E. Austin Co. Ltd., the fourth largest real estate firm in Vancouver, which is operated as a subsidiary of Melton's.

They have an office in Saskatoon, six in Calgary, eight in Edmonton and now one in St. Albert. Sales personnel number 215.

AROUND TOWN

The Anglican Church Women will complete their first project Tuesday morning next week, when a fortunate ticket holder will receive a hind quarter of beef. Dave Johnston of Johnston Meat Enterprises Ltd. will make the draw at 10 a.m. April 14th. Proceeds will go to general revenue of the ACW in support of their work for the parish. The Anglicans who are associated with the Church of the Good Shepherd hold services in St. Albert at the United Church.

*** **

concert is sure to be enjoyed by all young people and at a dollar per tickets is an inexpensive night out during the Easter vacation.

Letters to the Editor

Defends position

The Editor:

A neighbor called to advise me that a column I had written concerning our move to St. Albert had been printed, with an accompanying protest, in your paper. I have since read both the column and the protest, and would like to reply to Mrs. Scheibelhofer (and her mother).

I am disappointed to learn that the pool in question is not of olympic proportions; the real estate salesman who tried valiantly to sell me a home close to it was most indignant that it was indeed olympic. There was no mention in the column of "just Catholic schools"; rather, a passing reference to the existence of catholic schools of interest to the people of B.C. because they do not have a separate school system. If you are unaware, Mrs. Scheibelhofer, that we in St. Albert have "prairie for miles," I suggest that you take a long Sunday drive down the outlying country roads; there is something for miles, uncluttered by transmitting towers, masses of telephone poles or mountains. To expect a person born and brought up in a valley surrounded by Coastal mountains to term the landscape as "hilly" is, I think, to expect too much.

Your statistic on Abbotsford's population is correct, but most misleading. The area population, according

to the Chamber of Commerce, is 30,000. The stores and other facilities comprising downtown Abbotsford cover an area four times as great as St. Albert, and the suburban homes and area three times as great.

It is perhaps unwise of you (and your mother) to take a portion of a semi-humorous column, to set it aside out of context and then to become "rather irate" over it. Your mother has had the opportunity to read my columns for four years; she has hopefully chuckled over the oddities of Vancouver, Toronto and Calgary, and should by now be familiar with my style of writing. Certainly none of the people who read my columns in these other places took themselves so seriously as to be offended by my words.

We have heard a great deal about "preserving St. Albert" since our arrival here. The best way, in my opinion, to keep St. Albert out of Edmonton is to realistically appreciate what we are: a little quaint, certainly picturesque, of french origin and "almost discovered." St. Albert is a quiet, country town at the outskirts of a sprawling metropolitan area, and it will lose its identity rapidly if its citizens do not protect its differences to that city. Surely to be able to chuckle at oneself, to know so definitely what one is that such laugh-

ter is possible, is positive identity.

We chose to live here in St. Albert because it is different and because it is so very beautiful. In the column I said, "We have everything." I fail to see condescension in that.

Thank you.

(Mrs.) Joan McPetridge.

Welcome

The Editor:
The Chamber of Commerce

erice would like to thank Mrs. Scheibelhofer for bringing to our attention Mrs. McPetridge's article in the Chilliwack Progress. We are inclined to agree with the Editor of the Gazette that in time Mrs. McPetridge will become a strong champion of our way of life in St. Albert.

A town of 14,000 people should be big enough to overlook some mistaken impressions of a new resident. So instead of saying "Lady bite

your tongue" we will just say "Welcome neighbor."

Gerry W. Belke,
President,
St. Albert & District
Chamber of Commerce.

"Our opponents accuse our boss of being wishy-washy," said a political press secretary. "Well, maybe he is and maybe he isn't."

Visit the future where love is the ultimate crime.

Co-owner Jerry Russell at Sir Arthur's Steak and Pizza Palace can whip-up a delicious pizza while you wait. The latest in equipment can be seen in the background.

Sir Arthur's Steak & Pizza Palace Features Decore of "Old England"

The legendary King Arthur would indeed have been proud of Sir Arthur Steak and Pizza Palace located here in St. Albert on 71B Ste. Anna Street. This ultra modern restaurant features an "Old England" decore with the Sir Arthur motif carried throughout, complete with period furniture and coats-of-arms.

The partners in this new night spot for St. Albert are Jerry Russell and Donald

Skelton who are incorporated under the name of JD Properties Ltd., and both are residents of St. Albert.

Sir Arthur occupies 2,000 square feet of floor space within the new shopping complex owned by Lagoon Investments Ltd. of Calgary. This complex houses four 2,000 foot units facing Ste. Anne Street.

The front portion of Sir Arthurs' accommodates about 30 people in a section

which will operate as a coffee shop. Further on into the premises, patrons are ushered into sumptuous quarters where the atmosphere is indeed "Old England." Amid a Sir Arthur decore, the restaurant-lounge area seats 50 where charcoal-broiled steaks and a wide assortment of pizzas are served from the kitchen dominated by an Austrian chef with 18 years' experience.

Owners of Sir Arthur, Jerry Russell and Don Skel-

ton have already filed an application for a restricted license (beer and wine) and anticipate the license to be issued during the early part of April. In the meantime, diners appear to be quite content with the excellent steaks, pizza and an abundance of coffee.

Sir Arthur Steak and Pizza Palace, besides the two owners, plan to have a staff of 14 people including a hostess, cashier, waiters and a full kitchen crew assisting the chef.

More than \$29 million in sales and net earnings that are the highest in history will enable United Farmers of Alberta to make a cash payment of \$2,316,000 to its farmer-customers before the end of March. The cash payment is the largest ever distributed by the UFA.

Not expecting to be photographed, two delightful ladies consented to "smile for the birds" when The Gazette photographer Vic Post dropped-in at Sir Arthur's Steak and Pizza Palace this week. At left is Mrs. Anne Cherniak and right Mrs. M. Hamdon.

Showing Sir Arthur's coat of arms in the background, Fay Hamdon pours coffee for Geoff Brown of The Gazette and co-owner Jerry Russell Tuesday morning before the premises opened for another busy day.

The moon's gravitational pull affects more than the oceans. A full moon directly overhead may lift the North American continent six inches, and the Earth's atmosphere may bulge out a mile or more toward the moon. Even people respond to the moon's gravity, gaining and losing a fraction of an ounce with each rise and fall of the tides.

The Provincial Aquatic Workshop Committee finalized plans to include a course for swim pool managers and also a course on swim pool programming. The managers course will be on May 2 and 3 and the programming will be on May 4, 1972.

Speaking winners named by Namao 4H Club

By Wendy Bowman

On March 20th the Namao 4H Beef Club held its annual public speaking event, with Wendy Bowman acting as chairman. For the second year in a row, Laurel Horricks was our winner. Laurels

topic was "Lots Clean R. Up." Second place - Tom Bowman with "Capital Punishment." Third prize went to Janice Caruthers with "Hidden Persuader." Other speakers for the evening were - Dwayne Ash, "My Experience with a Car," Don Sweetnam, "Modern Feedlots," Laurel Sweetnam, "Jobs," Debbie Casavant, "Friendship."

In the junior division Ross Horricks was the winner with "Artificial Sleep." Second was Tim Sweetnam - Tims topic was "The Dog." Judges for the evening were Mr. Melvin Clark and Mr. Terry Boock. Lunch was served in the church basement and all in all the evening was enjoyed by everyone.

"One acre of growing trees will scrub clean the air polluted by eight automobiles operated for 12 hours."

"The same acre will absorb the carbon dioxide produced by 50 automobiles driven 12 hours."

by Liz McLeod

Will and Judy Baron brought Judy's mother Bertha Chapman out to the farm so Doug and Lillian and Sharon McLeod, Colleen Blanchard and Fern and Elsa Lischevski could all help Bertha celebrate her birthday, March 19. With lovely spring weather there couldn't be no better reason, and Fern and Elsa took an old fashioned walk to their neighbors.

Denise Paquette also had a birthday last week and her aunt Alice and Don Gregoire came to wish her well.

Audrey Steinkamp enjoyed the visit at Theresa Kerkhof's over a cup of coffee.

Daphne Kerr's brother Gordon Akerman, was a very welcome guest recently at Kerr Bros. Daphne is happy her mother is progressing favorably.

Goodness me this has been a bad winter for sickness in Calahoo and district. Besides so many with the flu, most sincere get well wishes go out to Father Volk, Mrs. Helen Quintal, Vance Berry and Bernice Ross who are hospitalized.

Northwest 4H council

Representatives from Sturgeon, Barhead, Edson, Lac Ste. Anne, Leduc, Parkland-Strathcona, Thorold, and Westlock met in Edson in February. Also present were Doug Blenert, 4H Specialist, Ted Youch, supervisor, Allen Schenfield and Dorothy Rigney of the provincial advisory board, John Ohnysty, president and Margaret Borle, secretary. Tentative dates were set for Camp He-He-Ha from August 20 - 28 for three-three day camps for 148 4H'ers 12 - 14 years old. The fee this year is \$18 for each member attending

and each club in the North West Council pays \$10 to Mrs. Margaret Borle, RR 1 Site 2, St. Albert, Alberta, which is to be paid by June 1st, 1972.

California Exchange Trip for 36 4H'ers and two chaperones to go on tour of California, was also discussed at the meeting. The names of 16 years are sent in from the clubs for this planned exchange.

Plans were reviewed for the March 25th curlorama in Sanguo, and the forthcoming Public Speaking finals April 29th for the two categories Juniors, 10 - 13 and Seniors 14 and up.

LEGAL LOCALS

By Lucienne Montpetit
Je souhaite une Joyeuse Piques a Tous. I would like to wish everyone a Happy Easter.

UNIFORM MEETING - A meeting will be held on April 10th at the Community Hall at 8 p.m. The guest speaker Elmer Allen, economist for Uniform will be speaking on the new taxation legislation.

This topic will be of interest to the village residents as well as the country people. Ladies are also invited to accompany their husbands to this meeting sponsored by

Uniform.

Legal is happy to welcome Mr. and Mrs. Albert Roulston from Edmonton who will be making their home in the former Wilfred Larose residence.

Get well wishes are extended to Marcel Dube who is a patient at the Sturgeon General Hospital.

Our sincere sympathies to Sister Aurore Blanchette who is mourning the loss of her brother-in-law Mr. Jean Hanley.

Hollands seeks PC nomination in Pembina

Dan Hollands of Ardrossan will be a candidate for the Progressive Conservative nomination in the constituency of Pembina. The long time Conservative worker made known his intentions following the announcement by Jack Egge that he would retire as Member of Parliament for that constituency.

Mr. Hollands, who, with his son Danny, operates a livestock feeding enterprise at Ardrossan, is a new comer to the political scene and became active when John Diefenbaker was elected national leader of the Conservatives in 1956.

One of his main reasons for trying for this nomination," he said, "is that far too many people in Ottawa who know nothing about farming or farm problems, are making the decisions for our farmers."

The president of Juddan Farms Limited, Dan Hollands is also active in the community, as a director of the Edmonton Exhibition Association and charter member of the Lions' Club of Ardrossan.

He is also interested in the direction today's youth seems to be taking. "A great

deal more thought must be given by the federal government," he says, "to recreational facilities of all kinds, not only in the cities, but in rural areas as well. These are necessary to help our young people develop along worthwhile lines."

The nomination meeting for the Pembina Progressive Conservatives is scheduled for April 24 in Westlock.

Newcomers

We welcome the following to St. Albert:

Mr. and Mrs. R. Prior and family; Mr. and Mrs. G. Osland and family; of Lacombe Park.

Mr. and Mrs. G. Dolezar of Mission Park; Mr. and Mrs. B. McConnell and family of Braeside and Mr. and Mrs. J. Lunn of Sturgeon Heights.

Mr. and Mrs. J. Epp and family; Mrs. E. Pappenberg of Ridgewood Terrace.

Mr. and Mrs. J. Bherer and family; Mr. and Mrs. J. Wortmann and family; Mr. and Mrs. H. Hornig; Mr. and Mrs. G. Stevenson and family of Grandin Park.

Council Hears Day Care Center Proposal

At a special meeting of town council held Monday evening, prior to the Committee-of-the-Whole meeting, Mayor Ray Gibbon and his full council heard a submission from representatives of the Preventive Social Services regarding a Day-Care Centre for this community.

Spokesman for the Preventive Social Services delegation was Mr. R. Bailey, assisted by Mrs. M. Acker, and Mrs. J. Gaunce, directors of the PSS board.

In his submission Mr. Bailey pointed out to council the local need for a Day-Care Centre and based his statement on a survey which was conducted by the PSS committee. He revealed that working space for such a centre would probably be available from the Protestant School system, "as soon as arrangements have been completed for the leasing of Mission Park School."

Mr. Bailey explained briefly that the PSS Committee had studied a proposed fee scale and came to the conclusion, after conducting a spot survey that the majority would be prepared to pay the suggested fee of between \$3 and \$5 per day. Mr. Bailey also

pointed out to council that alternate sites for the proposed Day-Care Centre were being studied in the event that space in Mission Park School fails to materialize.

Councillors and Mayor Gibbon then proceeded to have certain points qualified. Mayor Gibbon questioned the cost factor and it was his view that a more firm prospectus be presented to council in order to determine the next step. He pointed out that March 31 was the deadline for submission to the provincial minister of health and social development.

Councillor Bakker cautioned the PSS Committee of the danger regarding the availability of space in relation to enrolment. He made it quite clear that he felt it to be an insecure position to be in where there was a possibility of space not being available or enrolment being too low to make the project worthwhile. He strongly urged the committee to be prepared to abandon the whole project if need be.

Another question which came up from the councillors dealt with the order of priorities the committee would adopt. Council was

assured that NEED would be the first priority and not financial status, religion or other qualifications. When the concept of a Day-Care Centre was questioned on the grounds of possibly being guilty of encouraging mothers to work, supporters of the delegation were quick to point out that, "today, with economic pressures centered on the bread-winner, in many instances a mother has to go out and work to help supplement the family income."

After most of the contentions palms had been discussed, Cr. Bakker made a motion approving the Day Care Centre in principle and that the proposal be returned to council for further consideration. The motion was carried 5 - 2. Councillor Kambourff and Mayor Gibbon voted against.

This should be a busy season for the manufacturers of marbles. A lot of people don't seem to have all of theirs.

Town of St. Albert

PUBLIC NOTICE: Easter Office Hours

The St. Albert Town Hall will not be open for regular business on Friday, March 31, 1972, and Monday, April 3, 1972.

D. B. O'Connell,
Secretary-Treasurer.

Beautiful and artistic pysanky still gladden Ukrainian Easter

In the life of the Ukrainians, the entire years constitute a cycle of holidays, enriched with charming customs, symbolisms and ceremonies, many of which have come down through the generations from pre-Christian times. The early Christianized Ukrainians held their ancient traditions and fitted them into the new ideology, producing a rich blend of pagan and Christian elements. This is particularly true of the Easter customs.

Ancient rituals celebrating the coming of spring in song and dances, pantomime and play-acting are blended with Easter festivities.

One of the most beautiful of all Easter traditions is decorating eggs with artistic designs of a symbolic nature. In Ukrainian the de-

corated eggs are called "pysanky" meaning "to write". The design is actually written on the egg with a fine pointed stylus dipped in wax, after which follows a series of dye baths. Pysanky are not eaten. The origin of this art is both ancient and obscure. Archeological excavations in Ukraine show that it was practised several thousand years before the Christian era. Folklore has it that a decorated egg can avert any evil, bring good crops, and help a young maiden to win the man of her desire. After the advent of Christianity, the decorated eggs took the new symbols of the Resurrection with its promise of a better world.

The art of painting Easter eggs is still practiced in Ukraine and in Canada. Time has not reduced the design to a simpler form. Each new generation strives for greater perfection, beauty, and intricacy. Ukrainians have become unrivalled experts in this interesting folk art. A painted egg may well be called a miniature mosaic.

Various observances mark the Holy Week, beginning with Palm Sunday. The triumphal entrance of Jesus into Jerusalem on Palm Sunday is observed with a special church service, Passion service on Holy Thursday, the Burial Service and the procession with the Holy Shroud on Good Friday, and then the Adoration at the Holy Grave on Saturday prepare the people spiritually for the Resurrection. Fast-ing, remorse, and confessions take place that week.

With the break of dawn on Easter Sunday a special Resurrection Service is held with a procession around the church. The most beautiful aspect of the service in the joyful heralding of a risen Christ in the singing of the traditional Ukrainian hymn "Christ is Risen" (Khrystos Voskres).

Immediately after the service, people return home to break the long fast with an Easter breakfast of consecrated and other food.

Town of St. Albert

PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control developments within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lot 2, Block 36, Plan 1736 R.S. presently zoned Residential - Multiple Family (R3) to Residential - One Family (R1c).

to R1c

The Proposed By-Law #12/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 17th day of April at 7:35 p.m.

Written objections to the proposed by-law will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 12th day of April, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

For Sale by Tender

Townsite of Morinville, Alberta (Main St.) Building known as CALDER AGENCIES. Next to Credit Union office.

Tenders will be received up to April 7, 1972 and will be opened April 10, 1972. Lowest or any tender not necessarily accepted. Building to be removed from its present site no later than April 30, 1972.

Tenders to be received at Morinville Savings and Credit Union Ltd. office, Box 120, Morinville, Alta. For information Phone - 256-3120 or contact M. R. Perras, Manager.

10% must accompany all Bids (Tenders).

St. Albert Kinsmen Bruce Daley, right, congratulates Doug Shillington, Kinsmen Club of Edmonton on his election as Deputy District Governor at the Zone 2 convention held in St. Albert Saturday.

Elzinga seeks Pembina PC nomination

A young man Peter Elzinga, who has achieved positive goals in many fields, has set out to devote himself to the problems of the Pembina Constituency.

The nomination will take place on April 24, 1972 at 8 p.m. in the Memorial Recreation Centre at Westlock.

PETER ELZINGA

Mr. Elzinga, 28, his wife Patricia and their two sons Greg and Roger live in the Ardrossan area, where they operate a successful cattle and hog operation. He is an active community worker being a director of his community association and a member of the local Kinsmen Club.

He feels many of the problems of Western Canada have been neglected by the present government, and feels a strong voice, an intelligent and reasonable approach to today's problems are needed in Ottawa to make them aware of our needs and desires.

Peter is one of five children born to Peter Sr. and Susan Elzinga. His father immigrated to Canada in 1932 and prior to his semi-retirement, owned and operated Elzinga Flour and Feed Ltd., of Edmonton.

REASONABLE

Dirty money may spread disease

Watch out for dirty money -- it may give you a disease. Cultures taken at random from paper money and coins showed that 42 per cent of paper bills and 13 per cent of coins were contaminated by disease-causing germs. Don't smile. Recently the Philippines government decided to stop production of paper money for small denominations because the paper was found to be contaminated with cysts and ova of intestinal parasites. Astudy made by two U.S. doctors showed that pennies and nickels had a higher rate of pathogens (disease-bearing germs) than dimes and quarters, due to the more frequent exchange of the lesser denomination coins. How to lessen the risk of catching a disease from handling money? The Financial Post says the doctors suggest, among other things, that you carry only large bills, preferably the \$50 or \$100 denomination; don't make change; keep your hands out of your pockets; get rid of your money rapidly; campaign against piggy banks.

The doctors also offer this advice: "To further this research, we will accept and examine any money sent to us. If it is found contaminated, we have facilities for its safe disposal."

Persons with rare blood can make donations of their own blood to the Canadian Red Cross Blood Transfusion Service; have it frozen, and receive it at the time of surgery.

Packed red cells obtained from whole blood given to the Canadian Red Cross Society by volunteer donors are used as an effective treatment for anaemia.

Gamma Globulin made from blood collected by the Red Cross is used in the prevention or modification of measles, mumps, polio and infectious hepatitis.

Serum albumin made from blood collected by the Canadian Red Cross is used in the treatment of extensive burns and in the initial treatment of shock.

Kenneth B. Andras (left) surrenders the gavel to Henry E. Langford, Q.C., after serving as chairman of CARE's Canadian Advisory Board for 16 years, during which the dollar value of aid provided through CARE of Canada for food, medical, educational and self-help programs in 34 countries has grown from \$50,000 to \$1,300,000 per annum. Mr. Langford, former chairman of the Ontario Securities Commission, is a director of Home Oil and other Canadian companies. Mr. Andras will continue as a member of the CARE Board's executive committee.

GOVERNMENT OF THE PROVINCE OF ALBERTA

MORINVILLE MEMOS

By Rose Martol

The Morinville Sports Association is sponsoring an amateur hockey banquet and dance on Friday, April 7, at the Recreation Centre. The banquet starts at 6:30. All categories of hockey players from mites to seniors will be presented with their respective trophies. Refreshments will be made available at 8:30 p.m. and the dance, to the music of the Twilights, will begin at 9 p.m. Advance supper tickets are on sale at various business places now.

Last week Morinville hosted a group of visitors from Mallia. Headed by Rev. Father Harve Tanguay, members of the MFC Diocesan executive from St. Paul visited parish groups in the district on Tuesday evening, March 21. Diocesan president is Mrs. L. Hebert, Mrs. Gladys Majewski, vice president and secretary-treasurer is Mrs. Ray Denault. Some 20 MFC members gathered at the Rec Centre, where an official welcome was tendered by chairman Germaine Beaud. Father C. H. Prémont, chaplain for the group, led the discussion group. Later Mrs. Hebert took over the meeting, and reviewed the activities of the local group. She and her co-chairman, Mrs. Majewski, both made recommendations, which were welcomed by the local members.

The Morinville Femmes Chrétiennes, will sponsor a Spring Fashion show in the Morinville Centre on May 5th. Mrs. Solange Bachand is the general convener. Yvette Tellier gave a report on the financial success of the wine and cheese party held recently.

The political pot has begun to simmer locally, in preparation for the coming federal election. Last week, meetings were held in various sections of the Pembina constituency. Among them was the annual meeting of the Pembina P.C. Federal Association, which was attended by some 150 interested supporters. Jack Biggs, MP, announced that he would not stand for nomination for another term.

Dan Hollands, former from Sherwood Park, well known active member in the P.C. circles of the Pembina constituency, has announced that he will contest the nomination, to be held in Westlock on April 24 at 8 p.m.

Mrs. Hollands was a Morinville visitor last week, getting acquainted with local P.C. supporters in the district.

Mrs. and Mrs. Arcade Elher have purchased the Francis Devolder residence and plan to move back to Morinville soon.

Mrs. Borj Carlson, president of the United Church ladies, invites all interested ladies from the town and district, interested in taking an advanced Stretch and Sew sewing course, to contact her as soon as possible by phoning 256-3457, so the class is filled. The instructor will be Darlene Senyck of Edmonton.

The Morinville Credit Union staff, Maurice Perras, Dolores Caldwell, Gabrielle Morin and Irma Balger, are looking forward to new larger premises before the summer is over.

The next Royal Canadian Legion general meeting will be held at the Legion Hall on April 6 at 8 p.m. All interested members are invited to attend. On April 14 the Morinville Legion and Ladies Auxiliary members will host a farewell party for Robert and Zella McDonald. This is a community sponsored party, and open to the public. A catered supper will begin the program, to be followed by a social evening. The deadline for advance reservations is April 12. Mrs. Jo Gladwin and Mrs. Maury Legge are taking reservations now.

Mrs. Mark Saffin returned from a two months winter holiday at the west coast last week.

Among those who reported in hospital at this time are Louise Pacey, Gaston Kremer, Frank Bremies, George Poirier, Yvonne Tellier and Paul Turgeon. Among those who recently were released from hospital are Arthur Houle, Henry Theberge and Ivy Kindle.

On Tuesday, April 4 the Mother's Local of the Guides and Brownies will hold a supper meeting in the Morinville Hotel dining room beginning at 6:30 sharp. Several important items will be discussed concerning summer swimming program Cookie Day. All mothers are invited to attend. For more information phone Mrs. Robert Anderson or

Mrs. Jules Carigan.

Anyone interested in having their children take a two week Red Cross swimming course in Edmonton with professional instructors and supervised transportation, may inquire from members of the Mothers Local. Fees for each course, beginning July 1st, all inclusive (except medical certificate fees) - \$10. A maximum of 50 pupils for each trip. This will again be sponsored by the Local.

On Tuesday, March 21, Mr. Paul Turgeon and his

RURAL RECREATION

By Carl Royan
BASEBALL & SOFTBALL CLINICS

The Baseball and Softball Umpire's Clinics will be held in the Namo School on Wednesday and Thursday, April 5 and 6. These clinics will be starting at 7:30 each evening for two hours.

It is very important to have trained umpires to make sure the ball leagues run smoothly this summer so, I hope to see a good number of people at these clinics. There will be no cost to the participants in the clinics just bring a notebook and a friend.

The coaches' clinic for both softball and baseball will be held in the last week of April or first week of May when it will be possible to get out on the diamond. If you are planning on coaching a ball team this summer it is very worthwhile attending these clinics to pick up coaching hints, to keep these dates in mind.

RECREATION LEADERSHIP SCHOOL I have not had a great amount of response for the Recreation Leadership School to be held during July in Drumheller. If there are any young people who

think they might be interested at all in the course, give me a call at 424-6276 or 256-3322 and I will give you all the information.

It is important that each area is represented at this school for two reasons:- Firstly, anyone who attends the school will gain a great deal personally and secondly the area the representative is from will gain a skilled leader to assist in recreation. Application deadline is the end of April so contact me soon.

Leo Falls foursome from Riviere Qui Barre won the grand challenge and Morin-

ville Hotel trophy in the finals of the Morinville Men's Bousquet. They defeated the John Hewer rink from the Avonair Club. The game came to a more interesting finale than the Silver Broom finish in Germany last Saturday on TV.

A resume of the final results will be published next week.

PUBLIC AUCTION

JOHN & HENRY VOLLMER, MORINVILLE

Having received instructions from Mr. John and Mr. Henry Vollmer, who are retiring, located 6 miles South and 1 mile West of Morinville on correction line; or 4 miles North and 1 mile West of St. Albert, across from Vollmer Store, we will sell by Public Auction the below listed item on . . .

Great weather and scenery greet Rosses as they tour West Indies and Lisbon

By Sadie Ross

We arrived here yesterday from Lisbon - a one hour flight.

I think I last wrote to you from the Panama which was certainly the highlight of the cruise. We left Cristobal about 11 p.m. Tuesday, Feb. 29 - its always exciting around a harbor at night - lights seem to twinkle in all directions.

The following two days were uneventful as we were quite well out to sea - very pleasantly warm about 85, but the sea breeze tempers that. We arrived in Nassau early Friday morning, (March 3) as you come into the harbor there - their is a large peninsula jutting out, the ships come in on the left side - there are some beautiful homes on the peninsula and the vegetation is luxurious - on the other side of the peninsula seems to be the haven for sailboats. The water in that area seemed almost a turquoise shade - it was a bright sunny morning a beautiful sight.

Ashore in Nassau we took a short tour by cab to the tower - you go up by elevator about 1,000 feet and get a magnificent view of the city - many white buildings which stand out against the green hills and the sea. We then walked down "The Queen's Steps" where you are supposed to make a wish - they are a series of about 60 steps carved out of the rock, with sheer rock

walls on each side and a fountain near the bottom. You come out at another street level about 100 feet below the top of the steps. We crossed by launch (about five minutes) to Paradise Isle - well named - the beaches are white and clean, the vegetation tropical. There are some very fine hotels on the island some with Casinos. We went back to the city by bus over a very high bridge and found our way back to the comforts of "The Oriana" which always seemed like going home after a day ashore.

The following day we were in Port Everglades - the port is 40 miles out of the City of Miami. We took a bus tour into the city - the route was not very interesting through industrial areas mostly. The suburbs of Coral Gables and Coconut Grove are very lovely, flowers were in abundance and homes looked very elegant. We had a brief shopping stop in Lincoln Road Mall - aside from the flowers and shrubs - benches in comfortable locations - I think some of our shopping centres compare very well. We found clothing prices very high.

Monday, March 6 we were in Bermuda - the ship cannot go into the harbor there so a tender comes out for the passengers. Your touring in Bermuda at this season is by cab, four to a car - the drivers speak

beautiful English and usually are informative and entertaining - our's was no exception. Unfortunately it was showery that day, so things did not look quite so attractive, but we had visited Bermuda once before. I still think its my favorite of the islands we've seen. Its so very clean, pink houses with white roofs, beautiful flowers - the fields of Easter lilies were well into bloom - a gorgeous sight. We visited the Devil's Hole, a natural fish pool - some very interesting stalactite caves, the perfume factory and the Gibson's Estate, beautiful grounds where the lily pond is laid out in the shape of the map of Bermuda.

After leaving Bermuda we cut across the Atlantic to Lisbon - four day trip. From Thursday midnight till about Friday midnight the seas was extremely rough and you negotiated the stairs and corridors with great care. Fortunately we seem to be good sailors and suffered no discomfort. Really the sea in a storm is a beautiful sight - so we saw a great variety of seascapes during our cruise.

We arrived in Lisbon about 9 a.m. Saturday - the port is on the Tagus River, you sail under a very high bridge as you enter the harbor. The port is very busy with ships of all kinds and sizes coming and going. We left "The Oriana" in Lisbon. We couldn't help but be a bit sad to leave the friends we'd made and the very comfortable way of travel.

Lisbon is a charming city still parts of it very "old world" and the surrounding countryside very hilly and beautiful. A few of the streets in the newer sections are very wide, but many are narrow and winding. The traffic is a bit alarming - there are few traffic lights - the streets have no set pattern. It seems whoever gets the corner first is "it" - however the drivers laugh and wave at each other - you see very few crumpled fenders. They tell us also there is very little crime.

Saturday we went on a night club tour - having dinner at a typical Portuguese restaurant, high beams - rough plastered walls - small square tables and cane backed chairs. We were entertained by four local dancers in very colorful red and white costumes. We heard a "Fado" singer - Fado means "fate" - these are folk singers. You don't understand the words of course, but its still pleasant. We then went on to Estoril a real resort area where they have a gambling casino - we saw a floor show there, some very good dancing, an excellent gymnast (a girl), three male singers and a comedian, I must say, with the Americans, Las Vegas has the biggest and the best when it comes to floor shows and casinos.

Two local Rangers will be attending Girls' Parliament

Attending the Alberta Girls' Parliament, formed in 1971 and sponsored by the Girl Guides of Canada, Alberta Council, will be Kathy Engel and Angeline Crooks of St. Albert.

The first session of this Parliament will be held in Edmonton, April 4 - 7, and some of the time will be given to workshops to train the girls in parliamentary procedure. An afternoon will be spent at the Alberta Legislature. The parliament will become an extension of the existing Ranger and Cadet program.

There are 73 registered Ranger units in the province and four Cadet companies, each of which is allowed one representative.

The objectives of the Alberta Girls' Parliament are:

1. To encourage girls to seek out the challenge of citizenship participation through leadership training and service.

2. To bring together representative members of presentative members of Rangers and Cadets to stimulate co-operative methods of promoting and improving the Ranger and Cadet programs.

3. To train members in the Arts of logical thoughts

and self-expression.

4. To educate members in the process of Parliament and the responsibilities of citizenship.

5. To aid in the development and training of leaders in charge of the Ranger and Cadet program.

Around Town

The Sturgeon Valley Golf and Country Club held their annual spring dance March 24th at the Club Moombo. An enjoyable evening for all was made possible by the lively music of the Satellites and delicious smorgasbord. The golfers appreciated some fine support from local business people for the event.

*** **

The St. Albert Library will be closed all day on Good Friday, March 31st. Regular hours are 9-5 p.m. weekdays and 10-5 p.m. Saturdays. Tickets for the Hard Times Dance being held by the St. Albert Lions on April 7th in support of the library, are \$3.50 each and available at the library.

BON ACCORD NEWS

Radio Allen
A reminder to the district of the UGW Easter Tea and bazaar to be held on April 1st, from 2:30 to 5 p.m. in the church. The United Church Choir will present the Cantata, Love Triumphant - a story of the first Easter tide at 9 a.m. on April 2. Everyone is welcome to attend.

Parishioners of the Anglican churches in Bon Accord and Gibbons will have the privilege of attending Easter service in their home churches on Easter Sunday, April 2nd with Rev. Trevor Wright in attendance. Time of the services will be 1:30 at Gibbons and 3 p.m. at Bon Accord.

An official from the AMA will be present in the community centre clubroom on April 10 at 8 p.m. to receive registrations for the Driver Training course which is scheduled for April 10 to 15. If you have not sent in your registration to Dorothy Signey you may bring it with you at this time. It is essential to have your Learner's permit.

Home from a two month holiday in Nyland, California

nia are Mr. and Mrs. John Bland. They were accompanied by Mrs. Gertie Bland of Excalibur and Mrs. Connie Metcalfe at Valleyview.

A good weekend for dog fancier Jim Thompson when his black Lab took first prize in Best Canadian Breed, bred by Exhibitor and Open class, at the Edmonton Kennel Club show held at the Kinsmen Field House in Edmonton.

Cadet Squad #524 are sponsoring a Pie Shoot on April 16 in the B.A. community centre from 2 - 6 and 7 - 9 and a Blood Donor Clinic on April 20 from 6:30 to 9 p.m. Please keep these dates in mind.

The postponed Hockey Awards Night and Pot Luck supper is on for sure on April 9th at 6:30 in the community centre. Admission is one dollar per family and a pot of your favorite food. Registration for baseball and softball will take place the same night. Everyone is welcome to attend. If you are new to our community this is a good opportunity to come out and meet your neighbors.

Vanier students win trip East

Two grade 11 students from Georges P. Vanier, Carmen Boissonnault and Claudette Tailleux have won themselves a cross-Canada expenses paid trip. The girls were selected on the basis of academic ability, language fluency and leadership.

They will join 30 other Alberta winners, the majority of whom are between 16 and 17 years of age. The federal government contributes approximately 50 per cent of the total cost while each student contributes approximately one hundred and fifty dollars.

The yearly summer tour

CARMEN BOISSONNAULT.

CLAUDETTE TAILLEUX

organized by "Voyage Interprovinciale Albertain" is now in its 10th year. During those 10 years approximately 400 students have had the privilege of visiting Eastern Canada.

Fibrinogen made from blood collected by the Canadian Red Cross produces a dramatic cessation of bleeding.

Donating blood takes only 30 minutes from start to finish including testing, registration, rest and refreshment. The actual giving of blood is painless and takes only four or five minutes.

Arts & Crafts Show by Bon Accord artists

residents of Bon Accord, on Sunday, April 23, when the Bon Accord Art Club will sponsor a tea, and a display of arts and crafts by local people.

ART - the paintings on view will represent a good portion of the work done by members since the Art Club was formed a little over a year ago and will have been previously evaluated by Prof. H. Wohlfarth, department of extension, U of A. Mrs. Marlene Kalnowski, instructor for the session just completed, will be present. Unfortunately Mrs. Lillian Loken, instructor for the first 10 lessons now lives in Calgary and will not be able to attend.

CRAFTS-groups and individuals who have taken courses during recent years are asked to compile displays which, ideally, should include a variety of articles.

Individuals who pursue special crafts on their own are cordially invited to show their work. Let us all make an effort to complete any unfinished pieces of work and enter them to make the display as interesting as possible. Please advise Mrs.

Logan Carleton or Mrs. Walter Chubb of the crafts you wish to enter - deadline Friday, April 21st.

It is hoped that this event will be enjoyed by the public and that it will stimulate interest in painting and crafts for the future.

NAMAO NEWS

By Norma Crozier

A Sunrise Service will be presented by the Namao Sunday School at the church at 7:30 a.m. on April 1st. The service will be followed by breakfast. Everyone is welcome to attend.

The Namao Farmers League finished curling last week with first prize going to the Melvin Clark rink with Harvey Ash third; Bruce Porter, second; and Jack Plumley lead. Second prize was won by the Jim Flynn rink with Collin Akerman third; Ken Stanton, second; and Harry Cresswell, lead. Melvin Clark's rink were presented with a special prize from Bob Stanton.

Any boy or girl, men or women interested in playing baseball who has not signed up yet please contact Leo or Vera Huber at 799-3849. Everyone 16 and over is invited to attend the Umpires Clinic at Namao. For further information contact Leo Huber.

The Namao Seniors hockey team playing for 'B' league championship lost to Villeneuve 3 - 2 in a 10 minute overtime period on Sunday night. This gives them two wins each, the final game will be played at St. Albert on Thursday, March 30 at 8 p.m.

Namao boys junior high

basketball team won the Sturgeon School Division tournament. They won over Bon Accord who took it away from Namao four years ago and have kept it ever since. Namao is coached by Mr. Bruno Leitch and the stars of the game were Darryl Booth, Ron Petryshyn and Robert Bradbury.

Namao girls basketball team defeated Woodcroft Girls, Northwest City champions, on Saturday at Namao School. Namao won the first game 17 - 13 and the second

33 - 29. The stars of the game were Debbie Rye and Debbie Carruthers. Everyone is pleased with this happy ending for the year.

Mr. Roger Segart of Cardondale passed away March 14th after a prolonged illness. The Segart family would like to thank all the friends and neighbors of the Namao district for their warm thoughts and consideration when it was most appreciated.

Namao 4-H Beef Club

By Wendy Bowman

The February meeting of the club was held at the home of Laurel, Don and Tim Sweetnam on Feb. 14. The meeting had been put back one week because the club had been invited to a public

speaking workshop sponsored by the Bon Accord 4H Clubs.

At their regular meeting, dress for Achievement Day was discussed. It was decided to shop around and see if the club could get a discount for getting a large order. Dwayne Ash and Tom Bowman, along with Janice Carruthers were going to look into this matter.

A work meeting was organized to work on club leather crests.

The members placed an order for 4H supplies. Mrs. Sweetnam served a really great lunch.

Our March meeting was held at the home of Tom and Wendy Bowman, on March 8th due to the Clothing Club demonstrations. All members were present and choosing an efficiency winner was discussed. The member deserving of this award will be picked by a panel of members and leaders.

March 20th was public speaking night, when each member contributed an impromptu topic.

Any member of the Beef Club that was 16 before the 1st of January is eligible to apply for an exchange trip to California. Applications have to be in by April 15th.

April 1st has been set for a night of curling by the members and their families.

Municipal District of Sturgeon No. 90

Office Clerk Required

Written applications will be received by the undersigned for an experienced clerk-typist, preferably with some knowledge of the operation of a systematic accounting machine.

Salary commensurate with ability and experience. All applications must be delivered on or prior to April 7, 1972. All applicants will be given an opportunity to be interviewed at the time they deliver their application or at a later date.

Alphonse Nobert,
Secretary-Treasurer
Morinville, Alberta.

General Meeting

A public meeting of the ratepayers of this Municipality is to be held April 4th, 1972 at 8:00 p.m. in the Namao School Auditorium.

The purpose of this meeting is to discuss the City of Edmonton's proposed annexation of land, pursuant to Dr. Hanson's report, and for Council to determine the ratepayers views on said matter.

Alphonse Nobert
Secretary Treasurer

St. Albert Kinsmen president, Dave Stewart, left, Barry White of Fort Saskatchewan club, retiring deputy district governor, National Kinsmen president Bill Watson, Provincial district Governor Bill Stutchbury of Barrhead, and Bill Hite of St. Albert, district vice-governor, pause for the photographer during the Zone 2 kinsmen spring convention hosted Saturday at the Community hall by the St. Albert Club.

Cubs and Scouts have many projects going

By Howard Stinson

From the reports reaching this reporter the boys of the 3rd St. Albert group were out in full force last Saturday selling Hot Cross buns door to door and with good success again this year.

The 5th group are busy preparing for their Fertilizer Drive on April 8. It is hoped that the residents of St. Albert will support them in efforts to raise money to support there many planned activities.

The 4th group are also planning a paper drive to raise money, and this will be held on April 29. The boys have asked that the

residents pack their paper in paper bags or cardboard cartons or tie in bundles, to make it easier to carry. It is also asked that the paper be left on your door step.

The boys of the 4th group held their annual family banquet on March 11 at the Community Hall and a good time was had by all. Bayne Norrie of the Edmonton Eskimos was the guest speaker. He brought along some equipment and explained what each piece was, its functions, and what protection it provides. Cub Scott Meister was the football player and Bayne, with the aid of Scout Mark Stinson,

dressed him in his uniform. It is doubtful if Scott will attend the Eskimo training camp this year, but he and those attending the banquet know a little more about the equipment worn by a football player.

The Sing Out St. Albert group performed to the delight of all and were well received. Many thanks to such an entertaining group.

Mr. Romanov, Thursday night Cubmaster, did an excellent job as master of ceremonies for the night. The turkey supper was prepared and served by the Purple Dude Catering Service.

Paul Kane becomes Lorne Akin Junior High

"Paul Kane High School will soon become a junior high with a brand new name," Protestant Trustee Dr. W. D. Cuts announced at the annual meeting last Wednesday.

Dr. Cuts, chairman of the School Names Committee presented his report first by reviewing the guidelines under which his "Name the School Committee" worked.

First, the new name for the former Paul Kane High School would have to honor a historic personage, would have to eliminate all possibilities of abbreviation where a questionable word would be minted and finally, bear a name which would stand as an ideal for our youngsters.

Dr. Cuts then revealed, "we received 83 excellent submissions, one of which was repeated several times, Lorne Akins Junior High School." He then announced that his committee was happy to endorse this submission amidst enthusiastic applause from the crowd.

Dr. Cuts ended his report by announcing that the present Paul Kane High School will become the Lorne Akins

Junior High School as soon as the present Paul Kane High is completed and officially open before the beginning of the next school term.

Science has been making great strides forward. Now it's only 50 years behind the comic books.

Landing Trail Notes

By Howard Stinson
THE SCOUT PROMISE -
AND WHAT IT MEANS
I promise to do my Best,
to Love and Serve God, My
Queen, My Country and My
Fellow Men, And to live by
the Scout Law.

A boy must take the promise on becoming a Scout and he should understand it. In making a Promise, he agrees to try to live up to it in his daily life.

A promise is an assurance given to someone that you will do something or not do something. The Scout Promise is an assurance that you will do something - there is nothing negative in it.

No one is perfect and the Scout organization realizes this fact by asking you to Promise to do your best. It is all one can really ask is that you do your best at all times, and should you fall at something, try even harder to succeed.

"To Love and Serve God" Loving and serving are positive actions. They can be done in many ways, being reverent, offering prayer and thanksgiving, learning about your faith, taking part in its activities and helping your fellowmen. To sum

up one should live by what is known world wide as the Golden Rule. "Whatever you wish that men would do to you, so do to them."

"My Queen, My Country and My Fellow Men." As a Scout, you love and serve your Queen and your country by observing the laws, by respecting the rights of all Canadians as individuals and by supporting the agencies that serve people in your community such as firemen, police and school crossing guards. Providing help to people and giving service to the community is a practical way of supporting your country and your fellowmen.

"To live by the Scout Law" This is a statement of how you will try and act. Your promise should not be made without an understanding of

the meaning of the words in the law.
I will go into this in later columns.

STOP'S inspection of re-planted areas, showed trees approximately six years old occurring at spacings from 10 to 80 feet apart. This could mean an average of one tree per 800 square feet established and growing. If so, it also means that, if the area was originally reforested at the correct spacing of one three-year-old tree per 100 square feet, then SEVEN OUT OF EIGHT TREES DIED WITHIN ABOUT THREE YEARS after government or pulp mill inspection.

Keep Alberta Green

ARTICLE FOUR

Beginning with this article Mr. Armin Zimmer, author of the series, will look at problems with reforestation and possible solutions.

We know how difficult it is to grow a little spruce or fir tree in our front lawn. The reason of course is, that a lawn is not a forest environment. But we try to make up for it. We provide a rich fertilized soil, we add peatmoss, we water the tree daily during hot weather, we spray it against insects and fence it against misuse by animals. In spite of all this care the little tree sometimes will not make it.

A small tree that is planted during reforestation in a clear-cut area gets none of this protection and care, and is exposed to a hostile environment. The question is not whether or not all trees will become 30 years old or older, the question is how many will make it?

With S.T.O.P. inspection in the Hinton area showing an estimated seven out of eight tree loss in some three years (see photo). Such a death-ratio should not be assumed as unreasonable under the conditions under which these trees must grow. Their greatest problem undoubtedly is lack of shade and lack of ground moisture. In addition the small tree seedlings are subject to browsing by animals. A single deer or moose could in theory effectively clean out a whole acre of trees

in one week, by biting the tops off, or tearing the plant out whole. Deer especially love to feed on the light green new branches forming each spring, and it is common practice in Europe to paint these tips with coltar in young stands to prevent this damage.

But the trees will also be subject to damage by other animals, rabbits, squirrels, and insects as well as subject to disease, erosion and other natural hazards.

Worse long range damage may still occur, later, however, if the tree density were reduced by the foregoing damages to less than one tree per 400 square feet, because they would then be easily blown down during heavy winds, before they become 30 years old, and the whole timber stand could thus become lost.

We must reforest at density rates more closely related to the conditions under which trees can grow.

St. Albert High News

By Karen Donals

Last Friday afternoon the second-term Student's Union results were announced at a sock-hop. That morning the students elected June Borie, president; Susan Pavelch, Vice-President; Debbie Kremer, secretary; Elizabeth Gorka, treasurer; Denis Sanchez, sports director; John Hauptman, social director; Diane Powers, publicity director; Diane Donovan, Grade 12 Rep.; Sam Gallagher, Grade 11 Rep.; Laura Taschuk, Grade 10 Rep.; and Randy Telford, Grade 9 Rep.

CREATIVE WRITING COMES TO SAHS
The English 20 and Language 21 classes have just completed five sessions of a Creative Writing course conducted by two writers; Mrs. Mary Mark and Mrs. Margaret Coleman Johnston, both writers and members of the Canadian Authors Association. It was the final session for Mrs. Perry's

English 20 class and Mrs. Johnston presented two trophies. She presented them to Letitia Sopchuk for Par Excellence and to Jay Donals for a Gifted Writer. Congratulations to both.

ANOTHER PITCH & SPICE PRODUCTION
Pitch and Spice will be presenting their version of "Jesus Christ Superstar" and other selections on April 21 and 22. This will be held at the Roman Catholic Church at 8:30 p.m. The cost is \$1.50 - pre sale, or \$1.75 - at the door.

give love

While a child awaits adoption, or his parents' reconciliation, he is a ward of the province. It takes an uncommon amount of love to take a shocked, frightened child into your heart during this troubled time.

The Department of Social Development's "Parents For a While" program consists of people, your neighbors, colleagues, friends. "Parents For a While" are mature persons who respond to the challenge of giving love, understanding, and security to troubled adolescents who need it desperately. They accept and love children who have not yet learned to love. To these people, helping a young life in crisis is more important than considerations of physical disability, teenage delinquency, or race.

Interested? Contact your regional office of the Department of Health and Social Development. Or write to this address:

"Parents for a While"

Alberta

The St. Albert Breakfast Lions inducted eight of thirteen new members during their special ladies night meeting last night. From left are Bob O'Donnell, Lawrence Edmore, Jack Cawthra, Lorne Johnson, Firmin Iske, Pat Helten, Harry Gaffney, Rock Holman (Inducting Master), Glen Cady and Gordon Snider. Unable to be present were new members Ovi Baril, Jack Hudson, Father Jake Joly, Stan Kolomyjec and Carl Fischer.

Mr. Doug Taylor congratulates Girl Guide Debbie Rutledge as he presents to her the Cathy Taylor Memorial Trophy. Following the death of Cathy, who was a member of 1st St. Albert Guide Company, the award was established for annual presentation by her family. The winner must hold a challenge emblem, be recommended by her patrol; prove herself capable of service to her community, carry out an assignment arranged by her tester to show cheerfulness and ability to work with people, and prepare and deliver a speech on "What Guiding means to me". Debbie is the 16-year-old daughter of Isabel and Alf Rutledge of 48 Sunset Blvd. and a Gold Cord Guide of the first company. A panel of 5 judges made the selection and the award was presented Tuesday evening at the Braeside Church meeting room.

AROUND STURGEON

Miss Peggy Williams of the Gibbons Ranger Company will represent the Rangers at the Alberta Girls Parliament, formed last year and sponsored by the Girl Guides of Canada. First session will be held in Edmonton, April 4 - 7.

George Visser, a 36-year-old farmer of the Barreth district is contesting the Conservative nomination at the Pembina Federal Nominating Convention being held April 24th in Westlock. With Hollands and Elzinga he would appear to be a three-way race. N.D.P. and Liberal candidates have been nominated. (see this issue)

The science class was having its final examination and one of the questions read: "Which are the last teeth to appear in the human mouth?"

One pupil answered it quite simply with one word: "False."

MD calls open meeting on Hanson report

M. D. Sturgeon are holding a general meeting on Tuesday evening, April 4th to discuss the proposed annexation of land by the City of Edmonton in the context of the Hanson report. The Council of the municipal district has given approval in principle to the overall plan of the district as prepared by Makale and Associates, and planner Danny Makale will attend the meeting on Tuesday evening. Council is anxious to determine the views of as many of their ratepayers as possible on these matters, which have wide ranging implications for the future of the district. The meeting is open to the public. A map illustrating the city's proposed annexation may be seen in this issue.

Bavarian Night nets \$500

The Bavarian Night, staged by Sturgeon General Hospital Ladies Auxiliary Saturday night at the community hall was marked success from every standpoint. Tickets were sold out well in advance, everyone had a marvellous time and the Auxiliary has close to \$500 for physiotherapy equipment at the hospital.

Both town and district people were well represented, including a good turnout from Morinville. Chairman of the hospital board, Mr. Bill Flynn, was emcee for the evening, and his duties included presenting eight door prizes and six spot dance prizes, made possible through the support of local merchants for Auxiliary work.

The members of the Auxiliary were "delighted" with the project, the first of this

nature they have held, and the Ways and Means committee who looked after arrangements, are planning a similar function at a later date.

upcoming Auxiliary events are the Strawberry Tea on in April at the community hall, and the Blossam Ball in Morinville in May.

140th AVENUE
ST. ALBERT TRAIL

There I was, painting my eggs for Easter Sunday morning, and when my head was turned, look what popped up in my Easter basket - a big pot of bright red tulips! They're Dutch tulips, so a Dutch bunny must have put them there. Now I know what is meant by a "Dutch treat". Happy Easter to you, too.

Photo by Malak, Ottawa.

MAIN STREET

Anyone who tries to fix a bathtub drain has to be plumb crazy.

When entering a department store, be polite: let the ladies in first, so you don't get trampled on.

With inflation, "Pennies from Heaven" should have dollars in the title, but somehow it strikes a sour note.

If ants are so darn industrious, how come they spend so much time in the house?

From the way the back yard looked this morning the kids must have had a picnic.

drills.

The project offers permanent, year-around employ-
ment, with attractive facilities available for pleasant
family living. The Town of Grande Cache, population
2,500, provides shopping centres, schools, a community
centre, a hospital, doctors, dentists, a bank and
churches. The location is 285 miles northwest of
Edmonton and is readily accessible by automobile or bus.

Applicants are invited to telephone (collect) if
qualified for (*) current requirements (424-8276,
Edmonton). For other positions write to or visit our
office: Office Manager, Manix Co. Ltd., 604 Revillon
Building, Edmonton, Alberta.

Bon Accord 4H Speak-off winners

The junior members, under 13 years of age, of the Bon Accord Beef, Clothing and Light Horse Clubs, held their 4H speak-offs in the Bon Accord Community Centre on March 17.

The speakers for the Beef Club were: Michael Uchacz, History of Hereford Cattle; David Uchacz, Belonging to a 4H Club.

Marsha Rigney represented the Light Horse Club,

and her topic was "Child Abuse."

For the Clothing Club: Cynthia Bojeko, Horseback Riding Lessons; Shawna Brennan, Bon Accord Skating Rink; Janine Lampkin, Man's Inhumanity to Man; Wendy Lewis, Organic Gardening; Dianne Mulligan, Personality; Janet Mulligan, Cooking is Dangerous; Vivian Owens, July, 1971; Lori Pawluk, Put Your Best Foot Forward; Kim Reynolds, My Vacation Last Summer.

First place for the Beef Club was Michael Uchacz and second place David Uchacz. First place for the Horse Club was Marsha Rigney. First place for the Clothing Club was Lori Pawluk and second place, Janine Lampkin.

The winners from these clubs will compete at the MD of Sturgeon 4H Council level at Riviere Qui Barre on April 14, 1972. The top two from the council level will then move on to the Regional finals at Leduc on April 22, 1972.

The senior members, over 13 years of age, of the Clothing, Beef and Light Horse 4H Clubs, held their speak-off in the BA Community Centre on Friday, March 24. Winners for the Beef Club were: first, Judi Abramski, "I am Joe's Intestine"; second, Pat Ferbey, "Neurosis."

Speaking for the Light Horse Club, Sharon Davis came first speaking on "Marriage"; second, Kim Pawluk on "How to stop being a Procrastinator"; third, Barry Sturrock, "Car the Arctic be Saved?"; For the Clothing Club - Debbie Uchacz came first speaking on Drugs; Florence McKay, second, speaking on "Alcohol" and third was Lydia Uchacz. Her topic was Basketball.

Judges for the senior speak-off were Mrs. Jean Chubb and Mrs. Johanna Hulsing. For the Junior

speak-off Mrs. Jean Chubb and Mrs. Leona Petherbridge. The young people are to be commended on their fine showing, with a special word of praise for the members of the Junior Clothing Club who participated in the speak-off 100 per cent.

Total hay production in the United States in 1969 was 127 million tons, according to New Holland, the farm equipment division of Sperry Rand.

The average American family of four eats more than 2 1/2 tons of food per year.

Villeneuve CWL Bingo report

By Elsie Borle

The Villeneuve CWL were pleased with the support of the community which made their ham and cash bingo a successful project recently.

Sympathy is extended to Mrs. Andre Borle on the recent passing of her father, and the community also wishes Rev. Father Volk a quick recovery.

Bingo winners were: Mrs. Priscille Schaffers; Mr. G. Borle; Mr. Maurice Demers; Miss Lina Soetaert; Mrs. Ellen Jarvis; Mr. Harry Leema; Mr. Steve Leblanc; Mrs. Cyril Borle; Mrs. Joan (George Jr.) Soetaert; Mrs. Laura Boddez; Mrs. Ruth Oulmet; Mr. George Borle; Miss Doreen Borle; Mrs. Priscille Schaffers; Miss Janice Kremer; Mrs. Lorraine Kremer; Mr. Maurice

Verstraete; Mr. Cyril Borle; Miss Colleen Kap; Miss Simone Borle. Winners of the Italian raffle: Mr. Raymond Soetaert, wine; George Soetaert (Sr.), wine; George Soetaert (Sr.),

wine; Albert Lasburg, wine; Miss Lina Soetaert, ham; George Soetaert (Jr.), food hamper; George Soetaert (Jr.) wine; and Mrs. Agnes McDonnell, wine.

DAN HOLLANDS WANTS YOUR SUPPORT IN PEMBINA

Dan Hollands is seeking the Progressive Conservative nomination in the federal constituency of Pembina. Born, raised and educated in the constituency, he lives at Ardrossan where he operates a farm. You probably know Dan. He's been around the constituency a lot in the past 15 years, as an enthusiastic campaigner for the Conservative Party, and as an active community worker. He's earned your support.

Give him a call at
659-2197.
